

Your Contribution Makes A Difference! Support our Students!

The Maria Carrillo High School Association would like to invite you to join our mission to support our students in this school year to succeed and excel in every aspect of their education. **Without your support and generosity, our volunteer association would not be able to fund or support** after-school tutoring; student scholarships and recognition awards; freshman BBQ and planners; supplies and equipment to teachers, classrooms and library; staff and teachers recognitions; Project Grad; and athletic, fine arts and other extracurricular student activities.

Your contribution is more critical this year as the State of California has cut further the budgets of our public schools and the "The Don Yoder Foundation" \$18,000 annual generous donation to our association ended last year.

Our goal is to raise \$45,000 to fund our Association programs for this year. We realize that times are tight for everyone, however; we can **ALL** support our school. **ANY CONTRIBUTION WILL MAKE A DIFFERENCE!** No amount is too small.

\$300 DONATION is suggested to this campaign; however, **IF EVERY FAMILY DONATES \$25, WE'LL MEET OUR FUNDRAISING GOAL.** Please feel free to donate on behalf of other families who cannot participate in this campaign or contact your work to donate to the Association on your behalf. **All contributions are tax deductible (Association Tax ID # 68-0385019).**

You may mail us a check for your donation to: MCHS Association, 6975 Montecito Boulevard, Santa Rosa, CA 95409 or charge your credit card:

How Does **eScrip** Work?

All it takes is registering your grocery club cards

Parents, teachers, friends and families are encouraged to register their grocery club cards, and existing credit/debit cards through **eScrip**. A percentage of all purchases made at **eScrip** merchants will be given back to the designated school.

Participating stores like Safeway, Olivers & Molsberry Markets contribute each time your family makes a purchase using their registered cards. There are no receipts to collect, no vouchers or certificates to buy, no hassles for you, and every purchase makes a difference.
