

PROJECT GRADUATION

MEMORY LANE POSTERS

Attn: Senior Parents – Project Grad is the all night graduation party for the seniors. Every year at Project Grad individual posters, prepared by the seniors' parents, are put on display. These posters are made up of a collage of photos of your child, and usually include baby photos through present day photos. The posters are displayed Grad Night in the area referred to as "MEMORY LANE". The kids love to walk through "Memory Lane" and see all of their classmates' photos. We hope every senior will have a poster displayed, so they will not feel left out.

Senior parents need to start preparing the poster for your child. Be as creative as you want. You can cut the photos in creative shapes, add colored backgrounds, write comments or headlines about the photos. It's your poster, make it any way you'd like it. If you have questions, please contact Memory Lane Coordinator, Jeanette Larson at jeanette@fpcsantarosa.org. You can also visit the Project Graduation link on the Maria Carrillo website at www.mariacarrillohighschool.com.

Be sure to follow these guidelines:

1. Use poster board up to 24" by 28" (no larger)
2. We recommend that you make copies of your pictures. Do not use original pictures, as they could get damaged displayed outside in the breezeways
3. Include your child's name on the poster
4. Laminate the posters (otherwise they tear)
5. Punch holes with a hole punch in all four corners
6. Posters will be due no later than Thursday, May 27th. Bring to the Business Office/Student Store.
7. Posters MUST be picked up after the party on Saturday, May 29th, anytime before Noon.
8. Remember Senior Parents are responsible for CLEAN UP after the party.

Here are a few suggestions of where you can have your posters laminated and color copies made at a reasonable cost:

Staples
2222 Cleveland Ave, SR
707-523-2080
Laminate Cost: \$15
