

**Will you have a student graduate from MCHS in the next four years?
 Become part of Maria Carrillo's "Project Graduation"
 The all night grad party for every senior class!**

MCHS Project Graduation is an all night substance free celebration aimed at keeping graduates safe while commemorating their milestone graduation. Grad night is organized and chaperoned completely by volunteers. The party is held on campus immediately following graduation and includes casino games, cool prizes, lively entertainment, dancing, endless food and drink and much more. It's the last event that draws the graduating class together. Over 200 parent volunteers from all grades (not just senior parents) are needed to plan, organize and chaperone the party. Become involved now to build the foundation for your graduate's party. This year's grad night party will be held **Friday, May 27, 2011, 9:00 pm to 4:00 am.**

The Project Graduation Committee meets the 1st working Tuesday of each month in the Staff Lounge at 7:00 pm. For more information, visit the MCHS website at www.mariacarrillohighschool.com "Parent Information" or contact JoAnn Chew at eastchew@yahoo.com or 319.1671.
